

City of Turlock AB 1826 Exemption and Self-Haul/Backhaul Form

Mandatory Commercial Organics Recycling Program

State law (AB 1826) requires that certain businesses and multi-family properties subscribe to organics collection services. This form is required by any business or multi-family property with 5 or more units that subscribes to 2 or more cubic yards of solid waste per week (recycling, garbage, and organics combined) and chooses to apply for an exemption or self-haul/backhauls organic waste.
